**MultiCultural  
Business  
Solutions**

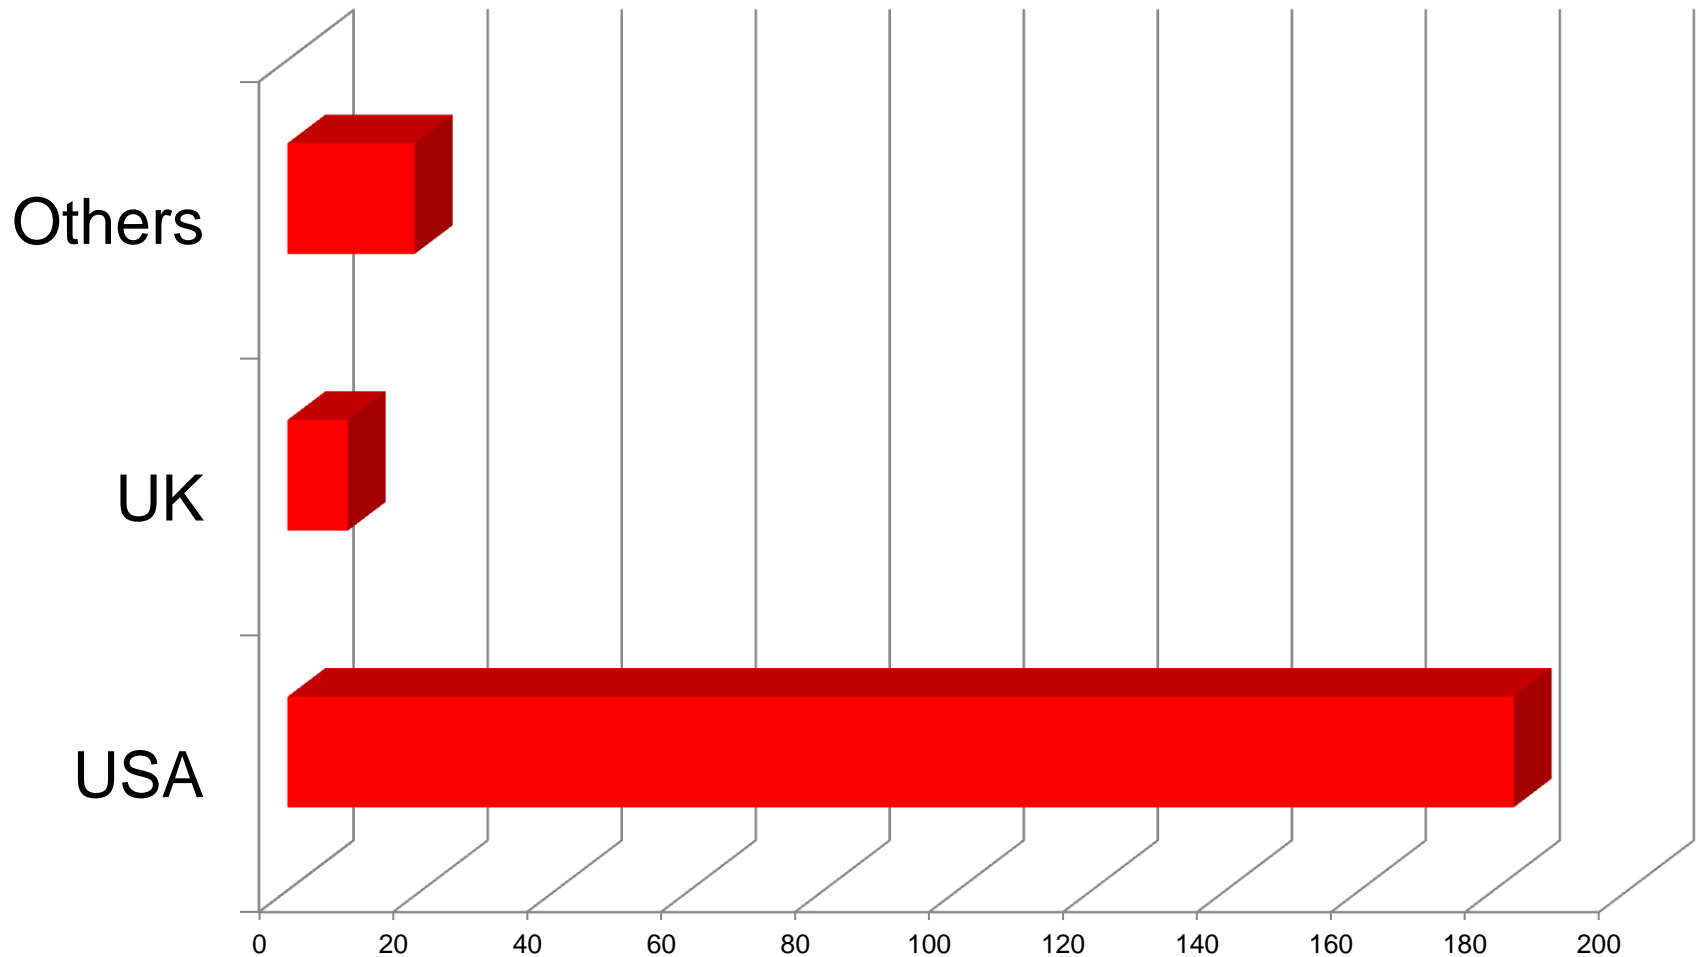

# Introduction

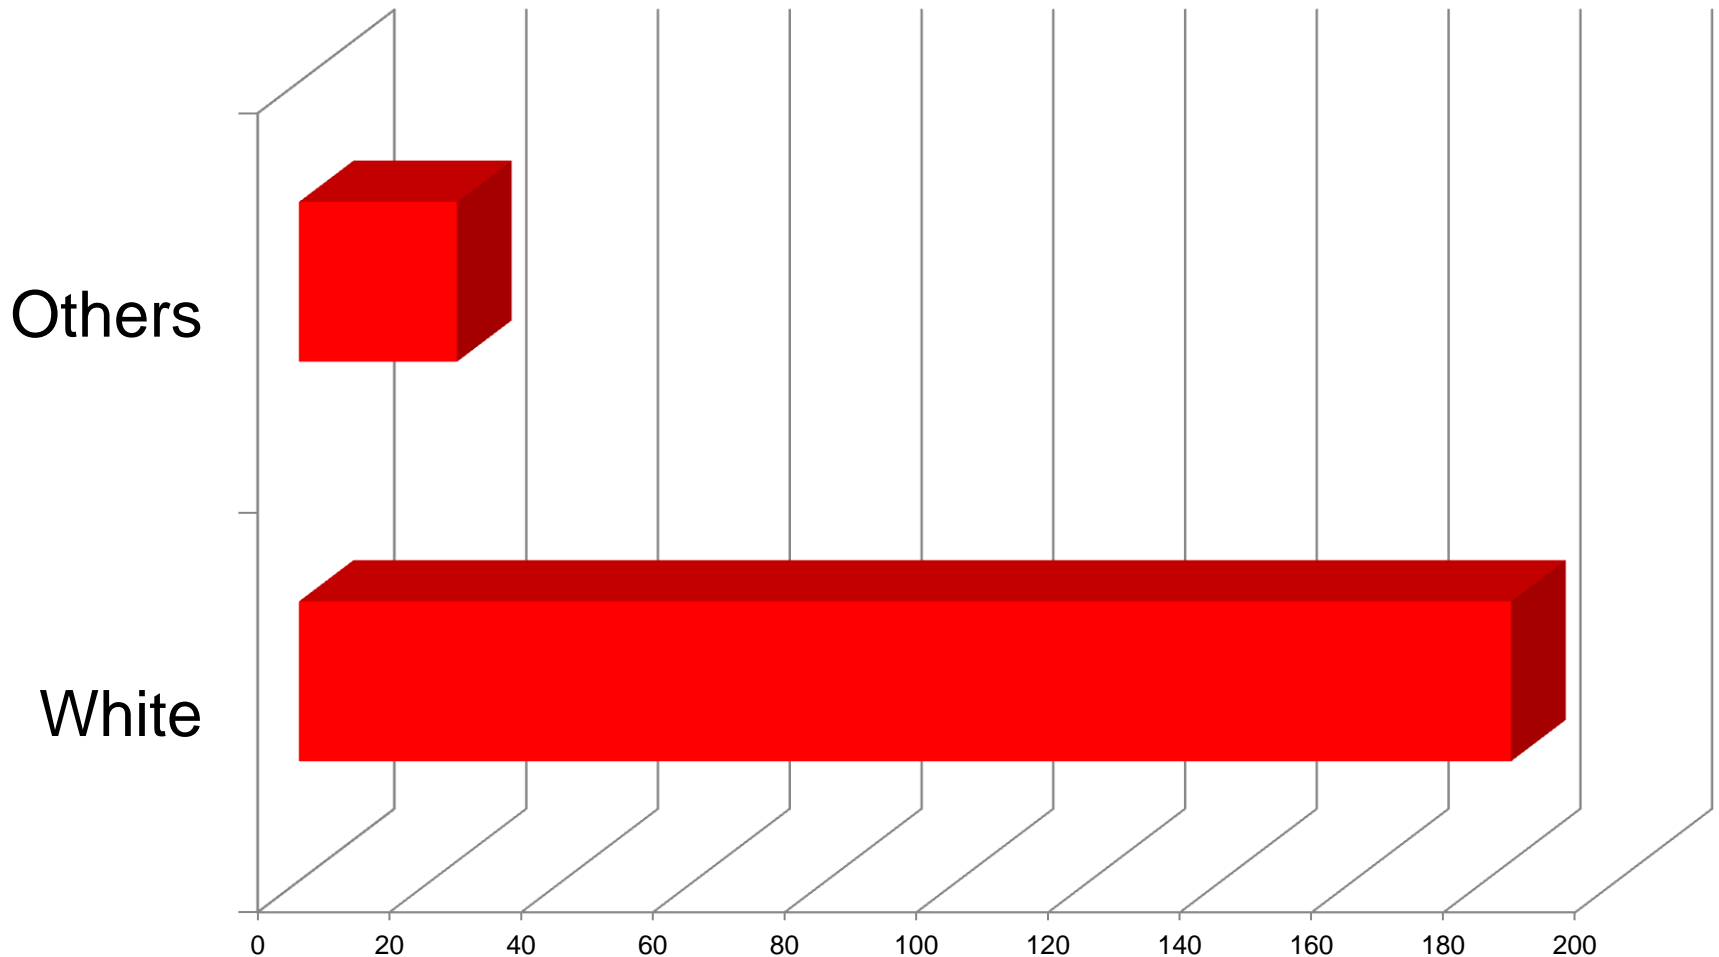

# What do you need to be a leader?

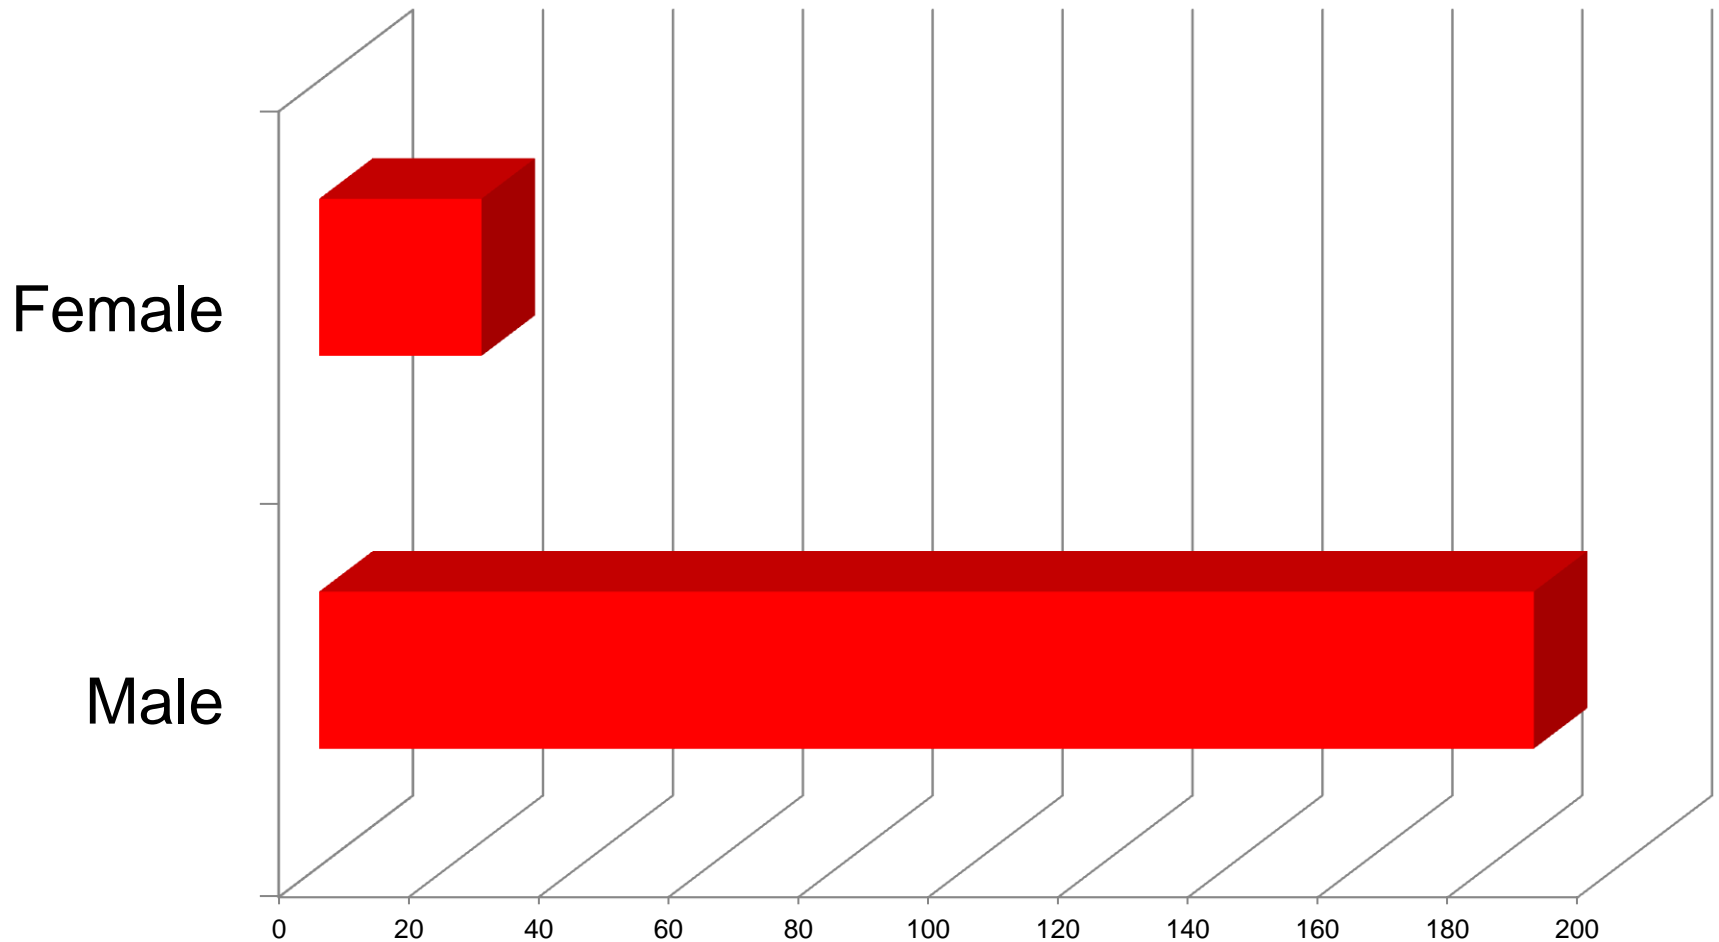

# What do you need to be a leader?

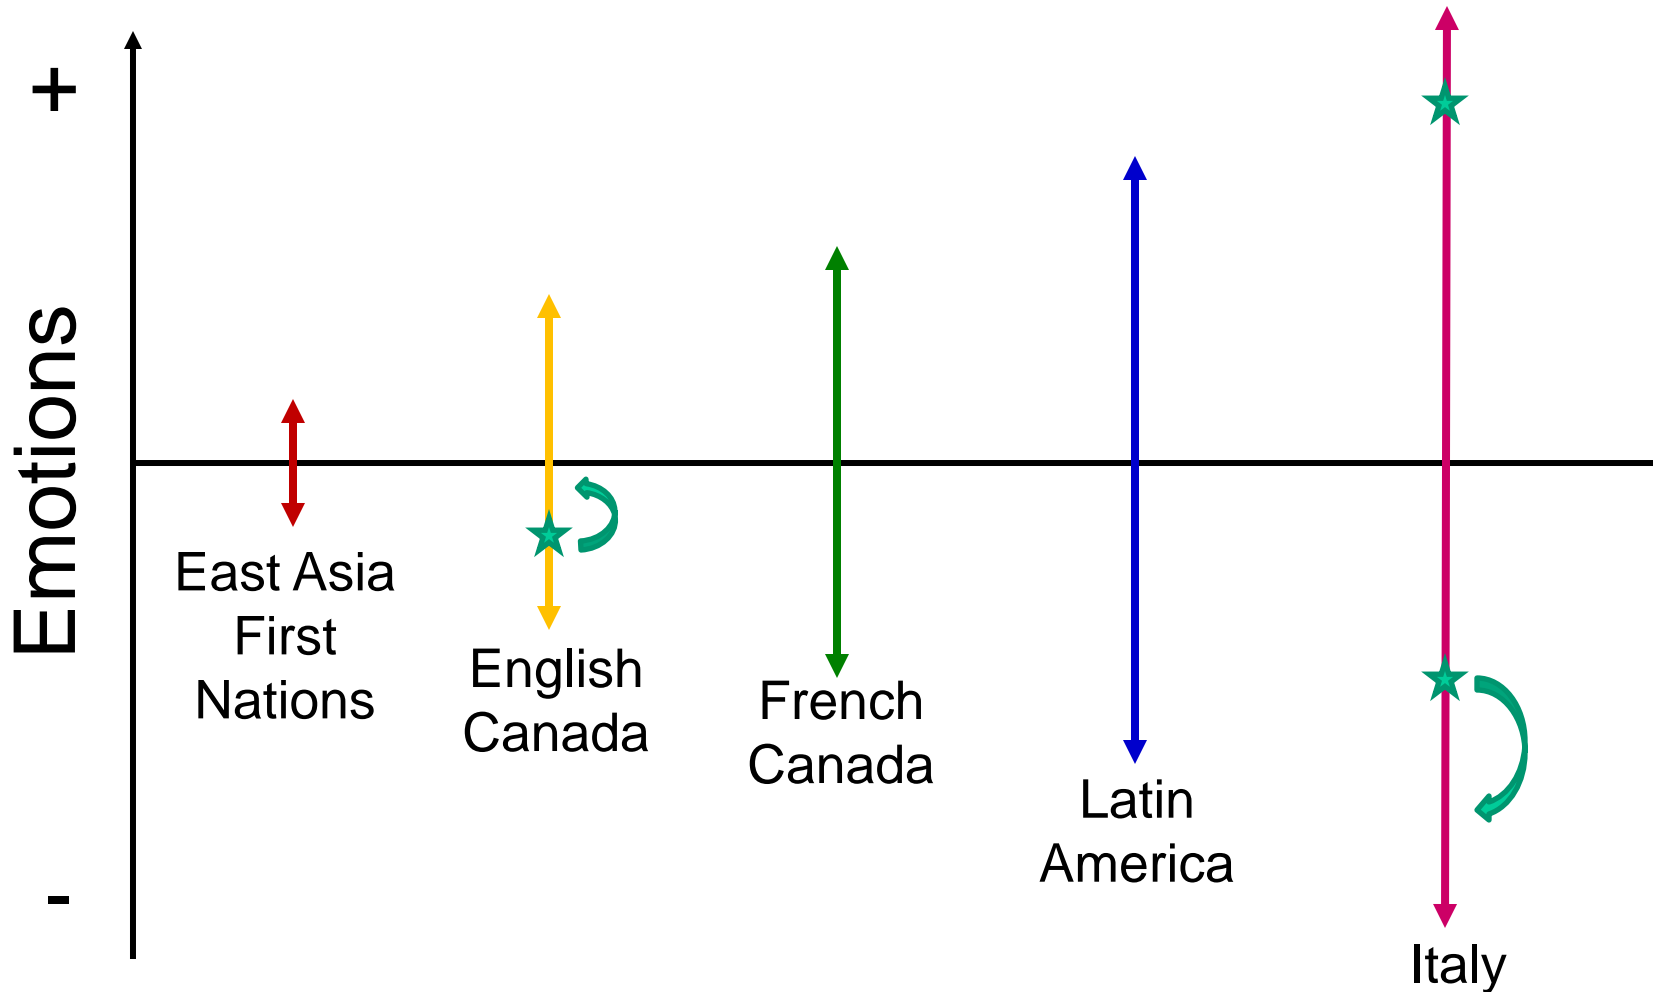

# What do you need to be a leader?

# What do you need to be a leader?

# What do you need to be a leader?

# What does leadership mean?

“Armchair generals worry about strategy. Real generals worry about logistics”.

*Gen. Schwarzkopf*

“L’intendance suivra”

*Gen. de Gaulle*

“Conscription if necessary, but not necessarily conscription”

*William Lyon Mackenzie King*

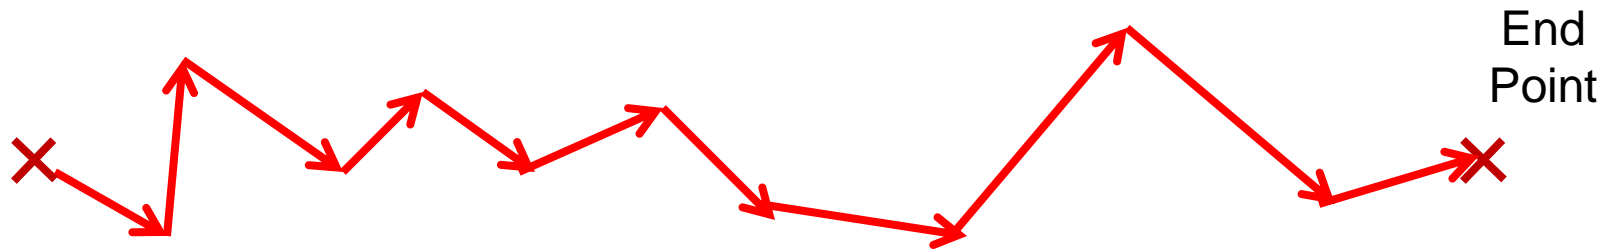

# What does leadership mean to you?

In small groups, do the following:

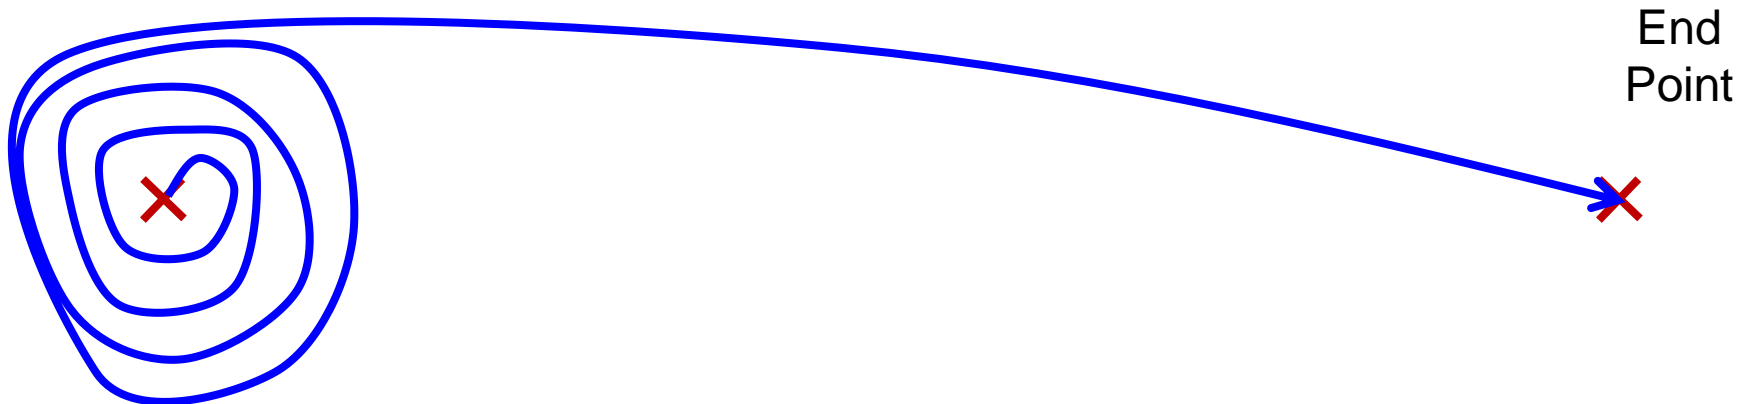

- Make a list of all the personal attributes / characteristics that people need to have in order to be good leaders
- Determine what are the top three within this list in the country where you did your high school / undergraduate studies

# How do you lead a project?

Risk Tolerant Team

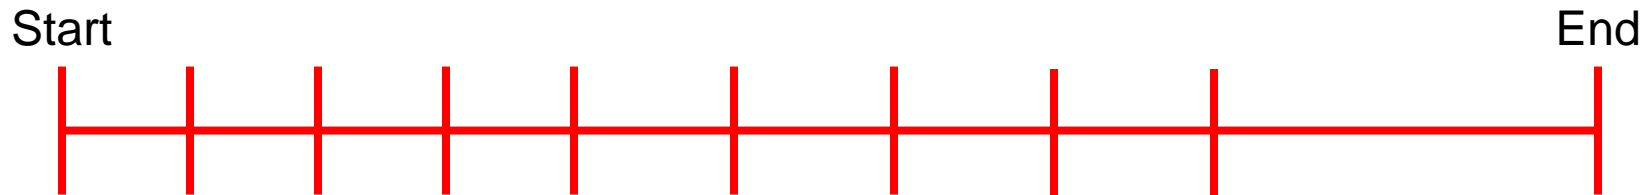

Risk Averse Team

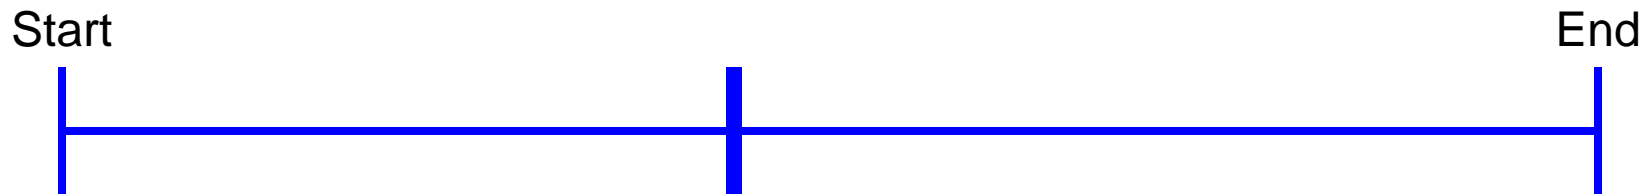

# How do you lead a project?

## Risk Tolerant Team

## Risk Averse Team

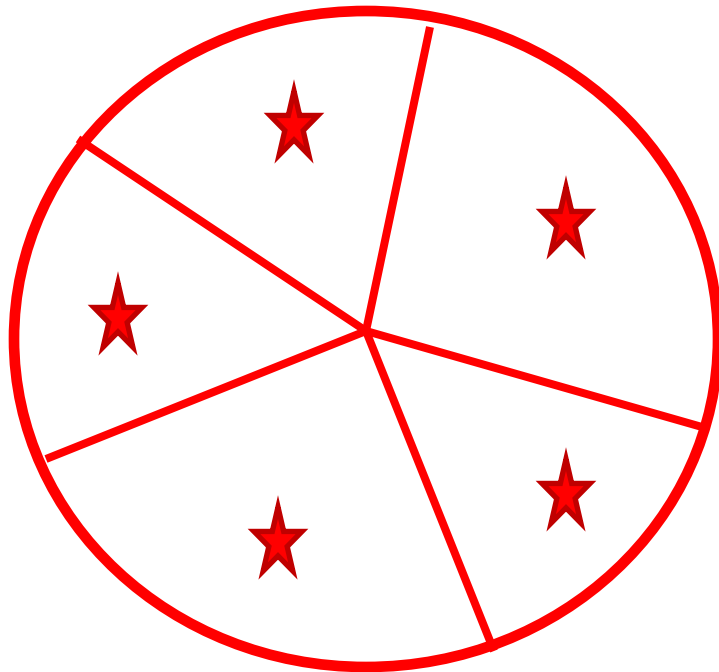

## Mixed Team

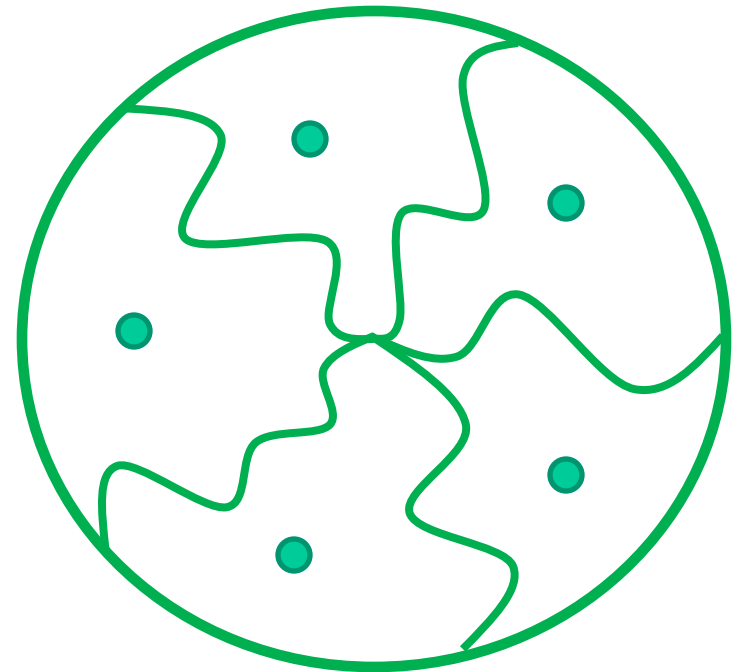

# How do you lead a team?

## Individualistic

## Collective
